Don't Bug Me Webinar: Get Rid of Those Bed Bugs

Date: June 7, 2013
Time: 2:00 pm EDT

Dr. Dini Miller, Associate Professor from Virginia Tech University will explain how bed bugs live and give sound, research-based advice on how to get rid of them.

Hosted by Chris Becker, Alabama Cooperative Extension System Regional Extension Agent

This webinar is part of the 2013 Don't Bug Me Webinar Series, brought to you by eXtension and its participating Cooperative Extension Institutions. The series is coordinated by the Imported Fire Ant eXtension Community of Practice. See <http://www.extension.org/pages/66408/dont-bug-me-webinar-series-2013>

Presenters

Precautionary Statement

To protect people and the environment, pesticides should be used safely. This is everyone's responsibility, especially the user. Read and follow label directions carefully before you buy, mix, apply, store or dispose of a pesticide. According to laws regulating pesticides, they must be used only as directed by the label.

Disclaimer

This publication contains pesticide recommendations that are subject to change at any time. The recommendations in this publication are provided only as a guide. It is always the pesticide applicator's responsibility, by law, to read and follow all current label directions for the specific pesticide being used. The label always takes precedence over the recommendations found in this publication.
